

Las Trampas Creek Council of PTAs
HONORARY SERVICE AWARDS 2011
Nomination Form

It is time to consider nominees for an Honorary Service Award for the Las Trampas Creek Council. If you know of someone whose contributions have positively impacted the youth throughout the Las Trampas Creek Council, please take the time to nominate him or her. The purpose of the Council HSA is to recognize individuals who serve the larger community—beyond units and individual schools. This award will be presented at the Founders Day Luncheon on May 10, 2011.

The HSA program encourages PTAs to honor individuals or groups through donations to the HSA program of the California State PTA. Funds contributed to this program are used for low interest loans and scholarships to further the education of young people beyond high school and to further professional education of those working in areas affecting children and youth.

Please consider this individual for a Council Honorary Service Award:
