

Don't Let the Governor and Legislators Pass the Buck Again.... Stand Up for Children Now!

***One phone call or email can make a world of difference
for children at our schools.***

Beginning on Friday, September 5, PTA members throughout California are re-mobilizing to prevent further cuts to schools and children's programs.

Please do this ONE thing for all children today:

Call or email your elected leaders.

Make sure your legislator hears YOUR voice. If you don't call or email, they won't know how strongly you feel about making sure we have a budget that does not hurt children. Tell them:

- Stand Up for Children Now!
- Prevent any deeper cuts to schools and children's services!
- Don't pass the buck another year by passing a budget that depends on short-term "fixes" or borrowing.
- Support additional revenues for schools to provide all students with the education they deserve.

Here are two easy ways to find your legislator:

- Call 1-888-268-4334, the "Cuts Hurt Hotline" (This special hotline is provided by CTA and can connect you directly with your legislators once you enter your zip code.)
OR
- Go to <http://www.leginfo.ca.gov/yourleg.html>

Every elected official in every community needs to hear from us! We must pass a budget that does not compromise our most important obligation—to support the education and welfare of all children.
